

Inquire, assess and take action with MYP by Concept

Encourage meaningful inquiry and language acquisition through a unique concept-driven narrative; easily navigate the MYP framework with confidence using an assessment-focused approach to English, Spanish and French, presented in global contexts.

- Develop language skills with key concepts and statements of inquiry framed in real-life global contexts at the heart of each chapter.
- Confidently prepare for assessment with the guidance and tasks designed by experienced educators.
- Build an insight into language features and cultures with research projects and opportunities for interdisciplinary learning.
